## *An Announcement From The Baron and Baroness*

*It has been our honour to hold the Barony of Castel Rouge for Northshield, since we were asked to represent the Crown in these lands in AS XLVII.*

*We have enjoyed the time we have sat in the Baronial chairs and appreciated the support of the Baronial Populace and the Crown, but we are growing tired now. We believe that the time has come for us to step down so that the Barony can benefit from new leadership. Therefore, we have asked Their Majesties and the TANG to begin the process of choosing our successors.*

*It has been a privilege to represent the Crown of Northshield, within our beloved Barony, in this Kingdom and throughout the Knowne World. We trust that the successors that are chosen will continue the work of building and maintaining this Northern stronghold for the Rightful Crown. We promise to give them the same support we were given by our predecessors and advise them as wisely as we can.*

*As it pleases Their Majesties, we will be serving the full-term extension that we were granted in order to see Castel Rouge through its 50th anniversary celebrations. This would mean planning the change over to occur at Gimli in 2021, outside influences (pandemic) allowing.*

*In service, David and Clare*

## **A message from the Seneschal**

Greeting Good Gentles,

I hope this finds everyone still well, and avoiding the plague. As discussed at Folkmoot, Their Majesties have accepted Their Excellency's plans to complete the extension of their term and to step down as Baron and Baroness at Gimli 2021. This leads us into the process of looking for their successors. Their Majesties and the TANG have reviewed our Succession process and have approved its use.

The first step for the TANG was undertaken at the September Folkmoot, where the Barony agreed we want to continue with our status of Barony, which means we are now looking for Candidates. Baroness Gabriella has been accepted as the Elections Deputy and Their Majesties have agreed to the deadline of January 1st 2021 as the deadline for letters of intention.

The email address [elections@castelrouge.ca](mailto:elections@castelrouge.ca) has been created. When sending electronic mail please included "Baronial Election" in the subject, or if preferred when mailing anything to the PO Box, please mark "Baronial Election" near the bottom of the envelope below the address. The Barony mailing address is PO Box 68008 Osborne Village Winnipeg MB, R3L 2V9.

If there are questions, please reach out and we will answer them as quickly as possible

## Old Business

### **SUN Event in November**

- We are waiting for an update from the Stallari, but there has been communication with them; we should get an answer by the end of next week and there is a high chance it will be an online event
- The border may not open in time and there might be a quarantine period of 2 weeks even if it does
- We are checking into what needs to happen to run it online - it would likely be an event similar to Avacal's TUA
- We can do an auction online since this wouldn't be raising any funds for the kingdom
- There was a discussion of Zoom arrangements for this event including possibly having at least one 24 hour room but we would need a moderator at all times to do this
- We will need volunteers for moderating classes and will have a short training for volunteers just before the event
- Classes worked well at other online events with each teacher having a moderator for the technical parts during the course
- There was a suggestion of preparing a "tips for teachers handout" to send out ahead
- Other events have had a place online for participants to download handouts before their class and we may want to do this as well

### **12th Night**

- We are looking for bids, the event will probably be Canadian only
- We may still get western Canadian attendees
- Online feast suggestion where the feast steward could make a menu and send out the recipes for people to make at home

## Old Business Continued

### **Face Masks**

-The masks have arrived and they were all delivered

### **Barony Email Group**

-The email group will be set up before next Folkmoot

### **Plague Gimli**

-We will not be holding the usual Gimli event and will have a local picnic event Sept 5th instead

-Coronation park was suggested for the picnic location

-Baron David is looking into submitting rules for doing some sort of limited fighting so maybe we can do it at Plague Gimli but we would need official approval to move forward with that

-There was a suggestion of a raffle at Plague Gimli and a donation made to the Ukrainian Park Camp

-Potential problems with payment were discussed

-There was a suggestion of a small GoFundMe or some sort of PayPal arrangement to do a straight donation collection

-A raffle ahead of the picnic may be an option, with payment ahead via PayPal and only items being exchanged at the event

### **Baronial Changeover**

-Commentary was due Friday - no feedback was received

-A one week extension to July 31<sup>st</sup> for feedback was decided on

-If feedback comes in we may look at a discussion via Zoom

-If no feedback is received the document will go into effect as is, following a vote next folkmoot - August 9th at 4:30pm

## New Business

### **Proposal**

- It was proposed to poll the Canadian SCA groups in Northshield to allow a one-time exemption to the current laws for Crown combatants, if they can hold a Crown Tourney this year. The first exception being that the participants do not need to have the ability to travel to Canada, and second exception being that no Canadian will be in the tourney
- There was a discussion regarding the issues around this
- It was decided to confer with Duchess Petranella, the Law speaker, and to discuss again next Folkmoot

### **Barony PO Box**

- Do we want a PO Box for the Barony? The cost would be \$188 per year. The Barony has sufficient funds to pay for it
- We could use the address for the Chronicle and as a shared point for Seneschal and Exchequer for anything banking related
- It could be a place to send checks for paying for events, as well as scrolls or other documents
- We would still need someones address to open the PO Box
- It was motioned, seconded, voted, and passed

### **Other**

- There has been discussion of a SuperMoot, potentially including 3 Baronies or more, Wednesday Aug 12th in the evening. Save the date and when we have confirmation we will let folks know. If it goes well we may do this quarterly
- Pennsic Peace Week would have been this week so there are videos being put up on YouTube by Pennsic University that people may be interested in. A link will be put up on Facebook

### **SUN**

-The event is official now. Please see the website for the class lists and to sign up to take or teach a class

<https://sites.google.com/view/northshieldsun>

## New Business

## New Business

### **Baronial Change-Over**

- First step: Do we want to maintain baronial status? It was asked if we have enough members – it doesn't matter as we are grandfathered in and don't need to maintain a certain number of members. Also, the stronghold numbers count towards our members and we also have a lot of occasional members. It was motioned, seconded, voted, and passed to remain a Barony
- Information regarding the change-over will be available in the Chronicle, on the website, and in the email group
- We are scheduling a long Folkmoot with candidate speeches for 2pm January 31<sup>st</sup>

### **12th Night**

- It was asked if we want to plan for the possibility of having an in-person event? There was discussion around whether, with the weather in Winnipeg in February, we should just have it online?
- People liked the idea of a cook-along feast like other groups have done; we could possibly do a bulk ingredient order and someone can deliver portioned ingredients
- An “Iron Chef” option was discussed with everyone getting the same ingredients and then see what they can make
- It was recommended to post the recipes online for distant guests to be able to participate as well
- It was moved, seconded, voted, and passed to have an online event with a cook-along feast
- Baron David offered to run it, the proposed name is Virtu-L
- We can do the event in January if it's virtual but it can't be on second weekend; January 2<sup>nd</sup>, 16<sup>th</sup>, or 23<sup>rd</sup> are options with the 16<sup>th</sup> preferred

## SUCCESSION PROCESS - BARONY OF CASTEL ROUGE\*

### A. NOTICE OF END OF APPOINTMENT OR CONTINUATION

One year prior to the end of their term, the current Baron and/or Baroness (BB) will give notice to the Seneschal of the Barony of Castel Rouge (BCR) and the Crown of their intention to step down or to continue for an additional length of time.

1. If personal matters intervene and the BB are unable to complete their term, then they will give as much notice as possible, preferably at least 4 weeks, so that a Vicar can be appointed.
  - a. If a Vicar is required, the Seneschal will contact the Crown as soon as possible to discuss recommendations. The Vicar is appointed at the Crown's pleasure.
2. The extension will normally be for an additional 5-year term, but the BB can request a shorter extension for approval by the Populace.
3. Notice of the BB's intention will be posted on the BCR web page, sent to the BCR e-mail list, **on all Social Media sources used by the Barony**, and announced at the Folkmoot following their notice.

### B. CONTINUATION PROCEDURES

1. If the BB indicate they would like to continue for an additional term, a Vote of Confidence (VC) will be taken.
  - a. All members and Foresters in good standing of the BCR will be eligible to vote.
  - b. The VC will be held at the Folkmoot held two months after notice is provided **and will be conducted** by secret ballot.
  - c. Anyone eligible to vote who is unable to attend the meeting in person can submit a Proxy Ballot (PB) by mail or e-mail to a person designated by the Seneschal for this purpose.
    - i. A .pdf Proxy Vote form will be posted on the BCR web page (Appendix A).
    - ii. Ballots by mail are to be sent to the Baronial Post Office Box.
    - iii. PBs will be accepted between the first Monday of the month in which the vote is being held and 11:59pm on the Friday before that month's Folkmoot.
    - iv. If someone prefers to phone the designate with their PB, they may call before 10:00pm on that Friday, understanding that their vote will therefore not be confidential.
    - v. PBs arriving after that date will not be counted.
2. If the VC fails, the Crown will be notified immediately and the Election Process (EP) will begin.

### C. ELECTION PROCEDURES

1. The Seneschal will be in contact with the Crown and the Transitions and New Groups officer (TANG), who is a Deputy of the Kingdom Seneschal, to initiate the election process.

---

\* For the purposes of the document, the Barony of Castel Rouge refers to the Barony proper in Winnipeg, as well as any Strongholds, Cantons, Colleges, or other groups that are designated by the Kingdom of Northshield as being under the Barony's aegis.

2. An Appointed Deputy (AD) will be designated by the Crown at their pleasure. This person will coordinate the EP with the TANG.
3. Application to the position(s) of BB may submitted using the attached form (Appendix B).
  - a. Application may be made by an individual or a pair of individuals.
  - b. Applicants must be active members in good standing of the BCR and the Society for Creative Anachronism, Inc.
  - c. Applicants must be active voting members of the Barony for a minimum of 1 year before putting their application forward. Foresters of the Barony are not eligible to apply.
  - d. Applicants may be nominated by another member of the BCR (Appendix C); their agreement to the nomination must be indicated on the application form. A nomination that does not include the written consent of the nominee will not be considered.<sup>†</sup>
  - e. Any one member can submit a maximum of 5 different nominations.
  - f. Applications can be submitted to the AD in person, by mail, or as an e-mail attachment.
  - g. The deadline for applications will be the 1<sup>st</sup> day of the month, a minimum of 4 weeks after the EP begins.
    - i. If there is a delay and the AD is not named within that initial period, the application deadline will be moved to the 1<sup>st</sup> day of the month after the AD is appointed.
  - h. Immediately after the application deadline, a list of candidates will be posted on the BCR web page and to the BCR e-mail list, and will include the Statement of Intent as provided on the application form.
4. At the Folkmoot following the application deadline, candidates will give a 15-minute presentation in support of their candidacy. The presentations of all candidates will be followed by the opportunity for them to speak for an additional 5 minutes. The supplementary talks will be followed by a question-and-answer period (Q&A) overseen by the AD.
  - a. The order of presentations will be determined randomly (e.g., by drawing numbers from a hat, straws of different lengths, cutting a deck of cards, etc.).
  - b. The 15-minute presentation can include anything the candidate(s) consider to be important for the Populace to know, but must include a brief background of their qualifications and a statement of any goals or initiatives they would like to accomplish during their tenure.
  - c. The 5-minute supplementary talk is optional and may include any additional information the candidate(s) may wish to provide.
  - d. The AD will monitor the time limits for each presentation and will stop a presentation at the end of the designated time period.
  - e. The AD will oversee the Q&A following the presentations and supplementary talks.
    - i. Questions and responses will be respectful; comments that are disrespectful in either word or tone will not be tolerated.

---

<sup>†</sup> The positions of BB require a considerable amount of time, travel and personal expense, and also require those serving in these positions to be as objective as possible when dealing with issues that arise within the BCR. For these reasons, no one who is unwilling or unable to fulfil the requirements of the position will be required to allow their nomination to stand.

- ii. Both questioners and candidates will endeavour to stay on topic and the Q&A period is not an opportunity for debates.
    - iii. The Q&A period will be for a maximum of 30 minutes for 2 – 4 candidates or 60 minutes for 5 – 8 candidates, but can end earlier if all questions have been asked and answered.
  - f. If a candidate is unable to attend the Folkmoot at which the presentations are made because of illness, family emergency, or because they must be out of town, they will be given the opportunity to provide a presentation to be given in their absence.
    - i. The presentation can be either a video presentation or a written presentation to be read by the AD.
    - ii. The presentation must be received by the AD before 11:59pm on the day before the Folkmoot.
      - 1. If the presentation is a video presentation, the AD must be notified of this fact at least 24 hours in advance so that technology can be obtained before the meeting.
      - 2. The presentation can be provided as either an e-mail attachment or a hard copy document delivered to the AD. It is the responsibility of the candidate to ensure that the AD receives the presentation by the deadline.
    - iii. Candidates who choose not to provide a presentation will have their candidacy judged on the basis of the information provided in their application.
    - iv. Candidates who are unable to attend the Folkmoot in person will unfortunately be unable to provide a second, 5-minute supplementary talk or participate in the Q&A session.
5. At the end of the presentations and Q&A, ballots will be distributed to the Populace in attendance (Appendix D) and collected by the AD.
- a. Anyone who is unable to attend the Folkmoot may submit a PB.
    - i. A .pdf PB form will be posted on the BCR web page.
    - ii. To ensure the privacy of the AD, those wishing to send a ballot by mail can send it to the Baronial Post Office Box; delivery to the PO Box must be made by 9:00am on the day of the presentations.
    - iii. PBs will be accepted between the first Monday of the month in which the vote is being held and 11:59pm on the Saturday before the Folkmoot.
    - iv. If someone prefers to phone the AD with their PB, they may call before 10:00pm on that Saturday, understanding that their vote will therefore not be confidential.
    - v. PBs arriving after that date will not be counted.
6. If there are more than five (5) candidates (any combination of single or pairs of candidates), a preliminary **vote** will be held.
- a. A preliminary vote (PV) will be held based solely on the information provided by the candidates in their **Statement of Intent**.
  - b. The PV will be held at the Folkmoot following the application deadline.
  - c. Members will vote for a maximum of five (5) candidates.
  - d. Anyone who is unable to attend the Folkmoot may submit a PB.
    - i. A .pdf PB form will be posted on the BCR web page (Appendix E).

- iii. PBs will be accepted between the first Monday of the month in which the vote is being held and 11:59pm on the Saturday before the Folkmoot.
- iv. If someone prefers to phone the AD with their PB, they may call before 10:00pm on that Saturday, understanding that their vote will therefore not be confidential. PBs arriving after that date will not be counted.
- e. The AD will collate the votes.
  - i. The five (5) candidates receiving the most votes will proceed to the presentation and final vote, as described in #6-7 above.
  - ii. The AD will contact each candidate directly with the results of the vote, listing the five candidate(s) moving forward in alphabetical order.
  - iii. In the case of a tie for the 5<sup>th</sup> spot, all tied candidates will proceed.
  - iv. If a candidate who did not qualify for the final vote wishes to know their ranking, the AD will provide them with that information in confidence.
  - v. Under no circumstances will the actual number of votes received by each candidate be provided to anyone.
- f. The final election will be held at a special meeting, to be held at least 2 weeks, but not later than 4 weeks after the PV.
- g. The AD will notify the Populace of the date of the special meeting and the final slate of candidates as soon as possible after the results of the PV have been communicated.
  - i. Once the final slate of candidates has been announced, the PVs will be destroyed.

#### D. ELECTION RESULTS

1. The AD will collate the votes and pass that information, as well as any comments from the ballots and the event at which the Barony would like the Investiture to occur, to the Crown and the TANG.
  - a. The AD will contact each candidate directly with the results of the vote, indicating only the identity of the top-ranked candidate(s). Any candidate who did not receive the most votes may ask to know their ranking, the AD will provide them with that information.
  - b. The AD will notify the Populace of the top-ranking candidate(s).
  - c. Under no circumstances will the actual number of votes received by each candidate be provided to anyone other than the Crown and the TANG.
2. Once the results have been communicated to the Crown and the TANG, the ballots will be destroyed.
3. The Crown will make their decision based on the results of the election and the comments provided and will contact the candidate(s) directly and notify the Seneschal.
  - a. In discussion with the successful candidate(s), the date for Investiture will be determined.
